COVID UPDATES

COVID-19 is still not over yet. As COVID-19 cases continue to surge, the Ontario government in consultation with the Chief Medical Officer of Health and other health experts are reinforcing Ontarians to 'stay at home' as much as possible to minimize transmission of the virus and prevent hospitals from becoming overwhelmed.

On April 1, 2021, the Province announced that Ontario will go into a four-week provincewide shutdown which comes to effect from April 3, 2021.

Please visit COVID -19 websites for important information:

Our C&MA District urges local churches to be patient and to trust God's timing in all of this and to honour our government and health officials for their hardwork. All the ministries of NCAC will continue to be online. Thank you for your prayers and support.
