COVID UPDATES

As COVID-19 cases continue to surge, the Ontario government in consultation with the Chief Medical Officer of Health and other health experts are reinforcing Ontarians to 'stay at home' as much as possible to minimize transmission of the virus and prevent hospitals from becoming overwhelmed.

On April 16, 2021, the Ontario government further extended a province wide 'Emergency and Province wide stay-at-home Order' until May 19. This comes with new restrictions.
