INDUCTIVE BIBLE STUDY

Are you interested in diving deeper into God's word, in learning how to let the Bible speak for itself, or just want to learn how to study the Bible in a different way? In this Sunday school session we will be exploring the Inductive Bible Study method through the Gospel of John. This session will run concurrently with the large group bible learning, if you have any questions or are interested in joining, please reach out to Matthew Leung for more details.
