Please fill out an information card, attached with it is more information about NCAC. We would like to listen and pray with you as well. Just let us know how we can help.

A Change In Perspective
July 21, 2013

We are a community of people who desire to express Christ's love for one another. By love we mean acceptance and belonging in a community that fosters an environment of growth and maturation, to enable its people to make a positive difference in the world around us. To become such a community, we pray together and care for one another (caring), we learn together (discipleship), share our lives (fellowship), offer ourselves (worship), and advocate the gospel (evangelism). NCAC will be a church where the community comes to worship God and fulfills the commission of Jesus Christ.
