

NCAC will be a church that goes into the community, and helps people enter the Kingdom of God.

Welcome to New Covenant Alliance Church! We are happy to see you and glad that you have chosen to worship God with us. If you require any assistance, please ask. We would be happy to take care of you. We love to stay connected with each other. After the service we have snacks and refreshments and we welcome you to join us in the Fellowship Hall. Please fill out an information card, attached with it is more information about NCAC. We would like to listen and pray with you as well. Just let us know how we can help.

Change the World through Praise and Prayer

Reflection:

The Lord is my strength and my defense, he has become my salvation. He is my God, and I will praise him, my father's God, and I will exalt him.

Exodus 15:2 (NIV)

Thanksgiving:

- For the Chariots were able to have enough players and leaders to begin another softball season
- For the gym ministry at ACI, that God has continued to provide resources

Prayer Items - Focus on Evangelism:

- For the Chariots and their leadership team (Victor, Marcus, Matthew, Ivan, and Stephanie)
- For the outreach committee as they access their resources and continue to think of ways to improve and promote evangelism within the congregation
- For our Open Day event, as it is an amazing opportunity for our church to truly become a part of the community and show God's love to our neighbors

About Us

/e are a community of people who desire to express Christ's love for one another. By love we mean acceptance and belonging in a community that fosters an environment of growth and maturation, to enable its people to make a positive difference in the world around us. To become such a community, we pray together and care for one another (caring), we learn together (discipleship), share our lives (fellowship), offer ourselves (worship), and advocate the gospel (evangelism). NCAC will be a church where the community comes to worship God and fulfills the commission of Jesus Christ.
