AN ENCOURAGEMENT FOR YOU

Then he said to them all: "Whoever wants to be my disciple must deny themselves and take up their cross daily and follow me.

Reflection

Are you a disciple of Christ?

Do you carry your cross daily?

Prayer

- That the members of our congregation will be moved to join and connect with a small group
- That the small group leaders will be refreshed and ready to lead its members
- That we will grow closer to each other, and to God through the process of sharing our lives together

welcome to our church! whether this visit is your first or otherwise, we are glad you are here. we believe that the christian faith is about responding to God's invitation to be in a relationship with Him. this relationship changes everything.

we believe that church is all about relationship and so we would love to connect with you beyond our service time. here are a few ways you can do that.

fill out a welcome card

did you have thought or questions you wanted to pass on? let us know using these cards and we'll be in touch!

commit to a small group

a small group is not just another thing to do each week. nor is it just a social gathering. rather, it is a community of people who are committed to Jesus and to being vulnerable with each other. It is a band of people desiring to grow in their faith, learning to love the Word and wanting to share their faith with others. if this sounds like something you are interested in, we have two small groups: downtown and uptown.

join us for food and conversation

food was an important part of community building in the Bible. people gathered together and celebrated and feasted. community is important to us. therefore, we love food! after service, we'd love for you to sit in on a small group as we eat, drink and continue the conversation that today's service has started.
