Reflection

What does this promise and command mean to you?

Prayer

-For all worship members to continue serving faithfully

-For more people to be moved to serve in this capacity

-That the worship team will continue to improve their skills and use this opportunity to draw closer to God

welcome to our church! whether this visit is your first or otherwise, we are glad you are here. we believe that the christian faith is about responding to God's invitation to be in a relationship with Him. this relationship changes everything.

we believe that church is all about relationship and so we would love to connect with you beyond our service time. few ways to do that.

fill out a welcome card

did you have thoughts or questions you wanted to pass on? let us know using the visitor card and we'll be in touch!

commit to a small group

a small group is not just another thing to do each week. nor is it just a social gathering. rather, it is a community of people who are committed to Jesus and to being vulnerable with each other. It is a band of people desiring to grow in their faith, learning to love the Word and wanting to share their faith with others. if this sounds like something you are interested in, talk to the small group leaders. We have two small groups: downtown or uptown.

join us for food and conversation

food was an important part of community building in the Bible. people gathered together, celebrated and feasted. community is important to us. therefore, we love food! after service, we'd love for you to sit in on a small group as we eat, drink and continue the conversation that today's service has started.
