Welcome to NCAC! We are so glad that you are able to join us today for our Sunday service. We believe that the Christian faith is about responding to God's invitation to be in a relationship with Him – this relationship changes everything.

Fellowship, or building relationships with each other, is another important aspect of Christianity. And so, we would love to connect with you beyond our service time. There are a few ways to do that:

Fill out a welcome card

These are located in the pew in front of you. You can then place it in the offering bag that will be passed during service. There, you can leave us your contact information, comments, or questions. We will be sure to reach out to you!

Join a small group

A small group is more than just a social gathering. Rather, it is a community of people who are committed to Jesus and to being vulnerable with each other. It is for anyone who has a desire to grow in their faith, who wants to love and learn Scripture, and who wants to share their faith with others. If this sounds like something you are interested in, talk to the small group leaders. They would love to hear from you! Their contact information can be found in this bulletin.

Join us for food, coffee, and conversation

Food was an important part of community-building in the Bible. People gathered together, celebrated and feasted. Similarly, community is important to us and we invite you to join us in the fellowship hall after service. Please come and sit in on a small group as we eat, drink, and continue the conversation that today's service started.
